Dear CARE House Hero,

CARE House opened in 2005, when Law Enforcement identified a gap in services for abused children. Since then, CARE House has served over 6,200 children in need of services. CARE House began with primary services of investigative interviews and medicals. Over the past 13 years, our focus broadened to encompass mental health services to aid in the healing process. CARE house advocates provide education, support, and court accompaniment to every family that walks through our doors.

Toss 'N' Taste, a chili cook-off and cornhole tournament is Saturday September 21, 2019 at Southern Hops Brewing Company in Florence. This event helps to provide services to child abuse victims in our community. Enclosed you will find ways you can be a CARE House Hero by sponsoring the event. I look forward to speaking with you further regarding our sponsorship opportunities, and having you help our team fight child abuse!

Many thanks,

Allana Hilley
